A MESSAGE FROM THE DEAN

Anuj Mehrotra, Ph.D.
Dean

I offer congratulations to The Class of 2022 of the George Washington University School of Business. This class deserves to not just be congratulated for the accomplishment of earning a degree, but moreover its outstanding adaptability, perseverance, and can-do spirit in overcoming the disruptions and meeting the challenges brought about by the global crisis.

Whether you earned a four-year degree, a graduate degree or doctorate, you can all be proud of what you have achieved. You have successfully completed a rigorous course of study at one of the world's finest institutions, gaining the knowledge, skills and aptitude necessary to compete—and excel—in today's global business environment. You have also earned something equally valuable: membership in the GWSB alumni community, a 57,000-strong, worldwide network of dynamic individuals who have compiled a remarkable record of success in countless fields of endeavor. I urge you to stay engaged and stay in touch with your classmates, as well as those who have gone before at GWSB. I guarantee in the years to come you will find the GWSB alumni community to be an enormous professional asset.

While commencement is an important life milestone, signifying a new beginning, the start of professional career or the pursuit of additional, advanced academic challenges, I would also urge you to stay connected with GWSB. Your education was enhanced significantly by former GWSB students who gave generously of their time and talents in sharing their “real-world” business experience with current students. I hope the students who follow you can count on you to “pay it forward.” I ask each of you to do your part (and then some) to be a supportive member of our great community.

I am confident that your GWSB education has equipped you to succeed in today's business environment and in adapting to its shifting demands. Digital media innovator Jay Samit, independent vice chairman of Deloitte, was on the mark when he said, “Lifelong learning is no longer a luxury but a necessity for employment.” At GWSB, we are committed to the concept of lifelong learning. You can count on us to be here for you to offer the resources you need to continue learning. Whether you are looking to up-skill, re-skill or change career paths, we invite you to “Return + Learn” at GWSB.

Again, congratulations and best wishes for your every future success.

All the best,

A handwritten signature in black ink, featuring a large, stylized 'A' and a flourish that extends to the right.

Anuj Mehrotra, Ph.D.

The School of Business would like to thank parents, family members, and friends for attending our celebration. We ask that you please remain seated until the faculty recessional has concluded.

The celebration program is meant to be a guide to the ceremony. Although every effort has been made to ensure its accuracy, the program is not an official record of an individual's degree.

W. Russell Ramsey
*B.B.A. '81, Honorary Doctor of
Public Service '14*

W. Russell “Russ” Ramsey is a successful entrepreneur, financier, businessman, educational leader and philanthropist. He has built multibillion dollar businesses in the fields of investment banking and money management, invested in dozens of start-up companies and has been an active philanthropic investor, helping at-risk families. Ramsey co-founded Friedman, Billings, Ramsey Group (FBR) in 1989, a top-ten investment bank where he was president and co-chief executive officer through 2001. He created Ramsey Asset Management in partnership with FBR in 2001 and remained active with FBR until 2007 when he retired as a director.

Ramsey served on the George Washington University (GW) Board of Trustees, beginning in 1998. From 2006 until 2013, he served two terms as chairman of the board, overseeing the creation and staffing of the university’s first investment office and playing a critical role in the university surpassing the \$1 billion endowment threshold. Ramsey was elected chairman emeritus of GW’s board of trustees in 2013, and was presented with a doctor of public service, honoris causa, in May 2014.

In 2005, the Ramsey family donated \$1 million to GW to create the GW Ramsey Student Investment Fund (GW RSIF), a portfolio managed by GW MBA students, providing real world investment experience; the fund is the foundation for the GW Investment Institute. Now, GW MBA and undergraduate students manage approximately \$8 million of endowment capital across four funds. The endowment payout from GW RSIF supports the GW Ramsey Scholars program where annually the top ten students each receive \$5,000 and a GW Ramsey Scholar designation. To date, \$150,000 has been awarded to 30 GW Ramsey Scholars. Ramsey serves as chair of the GW Investment Institute Governing Board.

Ramsey is a native Washingtonian. He attended GW on a baseball scholarship and is a member of GW’s Athletic Hall of Fame and All-Century Team. The W. Russell and Norma G. Ramsey Foundation is actively committed to philanthropic causes that provide education and wellness programs. In 2021 Ramsey was inducted into the Washington Business Hall of Fame.

STUDENT SPEAKER

Mariam Zara

B.B.A. '22

Mariam Zara is graduating with a bachelor's in business administration with a dual concentration in marketing, innovation, and entrepreneurship and a minor in public health. Throughout her experience at GW, she was involved in the Residence Hall Association, GWWIB, AIESEC, Alpha Phi Omega National Service Fraternity, and Phi Sigma Pi National Honors Fraternity. Coming from Istanbul, Turkey, Mariam felt lost, vulnerable, alone when arriving to GW. However, throughout the years she has learned to put herself out there and explore all the opportunities and resources GW has to offer.

Since she was a freshman, Mariam has worked with the GW Office of Innovation and Entrepreneurship as an Entrepreneurial Fellow where she has not only competed and represented GW at various pitch competitions but has also moderated several panels on her own that have been featured on both national and international news.

Passion for creativity, innovation, and growth are a few of the many factors that continue to motivate Mariam and prepare her to embark on her post-graduate journey.
