A MESSAGE FROM THE DEAN

Anuj Mehrotra, Ph.D.
Dean

I offer congratulations to The Class of 2023 of the George Washington University School of Business. Whether you earned a graduate degree or doctorate, you can all be proud of what you have achieved.

You have successfully completed a rigorous course of study at one of the world's finest institutions, gaining the knowledge, skills and aptitude necessary to compete—and excel—in today's global business environment. You have also earned something equally valuable: membership in the GW Business alumni community, a more than 57,000-strong, worldwide network of dynamic individuals who have compiled a remarkable record of success in countless fields of endeavor. I urge you to stay engaged and stay in touch with your classmates, as well as those who have gone before at GW Business. I guarantee in the years to come you will find the GW Business alumni community to be an enormous professional asset. While commencement is an important life milestone, signifying a new beginning, the start of a professional career or the pursuit of additional, advanced academic challenges, I would also urge you to stay connected with GW Business. Your education was enhanced significantly by former GW Business students who gave generously of their time and talents in sharing their “real-world” business experience with current students. I hope the students who follow you can count on you to “pay it forward.” I ask each of you to do your part (and then some) to be a supportive member of our great community.

I am confident that your GW Business education has equipped you to succeed in today's business environment and in adapting to its shifting demands. Digital media innovator Jay Samit, independent vice chairman of Deloitte, was on the mark when he said, “Lifelong learning is no longer a luxury but a necessity for employment.” At GW Business, we are committed to the concept of lifelong learning. You can count on us to be here for you to offer the resources you need to continue learning. Whether you are looking to up-skill, re-skill or change career paths, we invite you to “Return + Learn” at GW Business.

Again, congratulations and best wishes for your every future success.

All the best,
